Subject: RE: Identification of Novel Perfluoroalkyl Ether Carboxylic Acids (PFECAs) interview

Thanks Andy.

It's my understanding that the Press Office might be getting written questions for you from the reporter.

Brad,

Here's the article Sharon is talking about.

Please let us know how we can help with this interview.

Thank you very much,

Andy

Andy-

I'm in touch with the ORD communication folks about this interview request. However, the article that you attached for Emily did not make it to me. Can you resend the article?

Thanks,

Brad

Hi Emily-
Just checking back on this to see when we might be able to set up an interview.
Thanks,
Sharon

| Emily,

A reporter for The Intercept (Sharon Lerner **Personal Matters / Ex. 6**) would like to do an interview with us (Mark Strynar and Andy Lindstrom) about our recent paper (attached above) concerning research involving the PFAS.

We would appreciate it if you would please make the necessary arrangements and let us know what we need to do set this up.

Thank you very much,

Andy
